Inclement Weather: Inclement weather is always unfortunate; however, safety is most important.

Matches that are cancelled before the start of play will not be rescheduled. Matches that are postponed due to inclement weather may be resumed if time allows. However, it is unlikely that we would postpone play to let inclement weather pass and then resume play prior to sunset. If league matches are in progress and are postponed due to inclement weather. The entire league match will be cancelled, and points will not be awarded regardless of the number of holes finished by a particular group.

Furthermore, any partially completed matches will not be rescheduled.

Gary Hill Rule: A player may roll the ball on fairway and rough playing surfaces no greater than the length and width of a dollar bill. Once a golf ball has made it to the fringe or putting surface the golf ball must be played down.
